Windows

1. Muat turun aplikasi geteduroam melalui *"Play Store"* dan klik *"Install"*

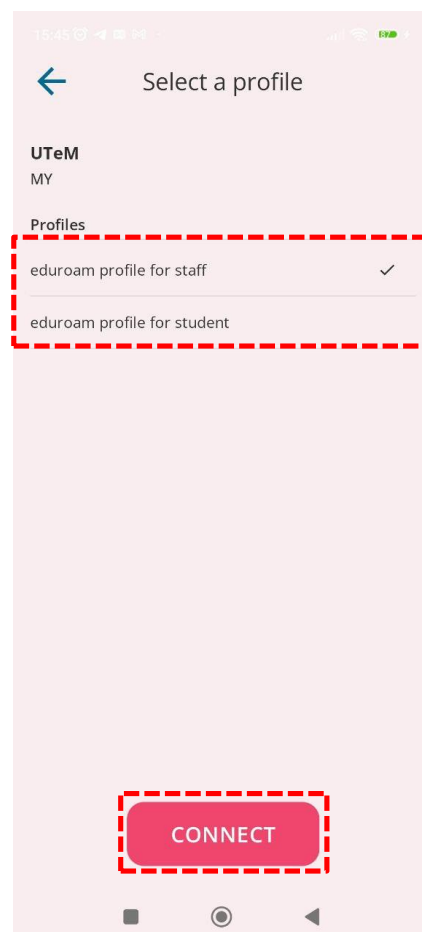

2. Setelah selesai installasi klik *"Open"*

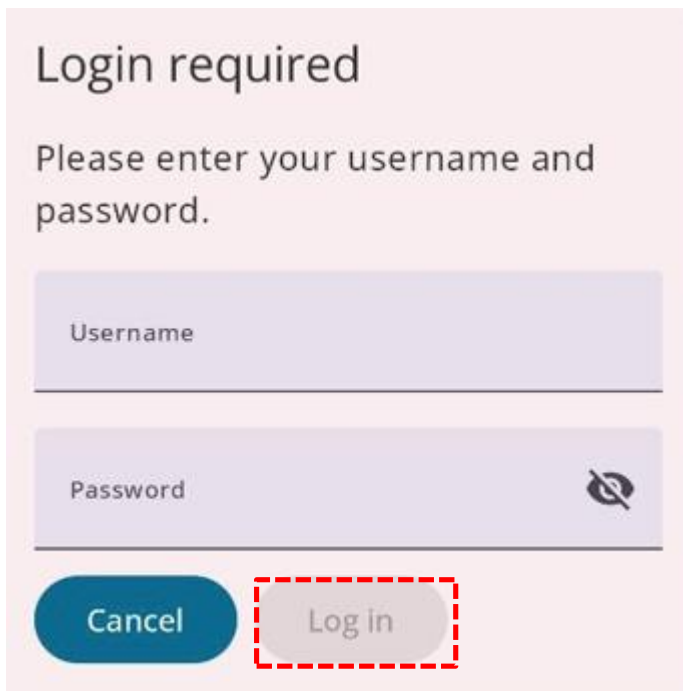

3. Pilih **UTeM** di bahagian “Search for your organisation” dan kemudian klik “UTeM”

4. Kemudian pilih profil samada anda “*staff*” atau “*student*” dan klik “Connect”

5. Masukkan “Username” dan “Password” dan klik “Log in”

A screenshot of a mobile application's login screen. At the top, the text "Login required" is displayed in a large, dark font. Below it, a message says "Please enter your username and password." There are two input fields: the first is labeled "Username" and the second is labeled "Password". The "Password" field has a small icon of an eye with a slash through it, indicating a toggle for visibility. At the bottom of the screen, there are two buttons: a blue "Cancel" button and a grey "Log in" button. The "Log in" button is highlighted with a red dashed rectangular border.

6. Selepas itu capaian berjaya akan dipaparkan “Wi-Fi configured” dan klik “Close app”
